This Cover Has Been Carefully Physically Inspected Prior To Shipping and Has Been Determined Free Of Manufacturing Or Material Defects.

Do not drag cover over any abrasive surface, carry cover to pool area.

Dragging cover over concrete, brick or other abrasive surfaces will cause damage not covered by our warranty.

Be careful not to catch the cover material on springs or anchor necks.

This could cause small pulls and tears in the material not covered by the warranty.

Check pool water level – it must be within 18” of the top of the pool and must not fall lower during the winter (snow) season.

Low water level will cause undue stress on the cover and could cause damage not covered by our warranty.
